GRAN PARADISO SKI DAY COGNE PROMOTES XC-SKIING FOR ALL

In the morning a kermesse dedicated to adults skiers
along the Sant'Orso meadows.

In the afternoon the Minimarcia granparadiso for young skiers
from 6 to 14 years.

Marcia granparadiso said no to the marathon on the original course but makes the move with Gran Paradiso Ski Day, a Nordic ski day all round. The day will start in the morning with a free-entry event of xc-ski in classic technique and continue with music for the whole day with folk groups of Cogne "Lou Tintamaro" and the accordionists. «*Because cross-country skiing is also a way to celebrate so, even if there isn't enough snow to organize the marathon, we want to offer a day based on the classic technique to those who trusted us, already entering the MGP in Summer*» – said Christine Cavagnet, head of the organizing committee. Right from 9:30 am of Saturday, February 4th: at Sant'Orso meadows the event for adults skiers. Yet to decide on the distance. To participate, to go skiing together, just send an email to info@marciagranparadiso.it indicating your name, surname, date of birth and any ski club membership. You can until 9:00 am on Saturday morning. And that's not all. From 12:15 am it will be the turn of baby skiers who will live an even more exclusive party, the one of Minimarcia granparadiso, together with their parents who skied in the morning.

«*We aim to unite the families of skiers – added Cavagnet – dads and moms can ski in the morning and their children compete in the afternoon. Even families of those who come from far away, like maybe the Nordics or the Russians who have already booked hotels and expect fun anyway. The goal is to demonstrate that Cogne can appear the same even with a massive lack of snow.*».

The event will be covered also on the official Facebook page "Marcia Gran Paradiso" and on the official Twitter account @MGranparadiso with three main hashtags: #marciagranparadiso, #MGP2017 and #GPSkiDay.
